recycled designer apparel 

I do! I do! at My Sister's Closet, I do want to save money!

My Sister's Closet (Chandler location) is now consigning and selling bridal gowns. You'll find fabulous designer gowns priced 75% to 90% below retail with prices starting as low as \$69.95. We also carry headpieces and veils priced well below retail. The store has a large selection of sizes and styles. Why spend a small fortune on something you'll only be wearing for a few hours when you can still get the gown of your dreams and save thousands of dollars at My Sister's Closet.

If your fiancé wants to save as well, we have a great selection of tuxedos and suits at our men's stores, Well Suited. Tuxedos start at just \$49.95 and suits are as low as \$14.95.

And if you have a bridal gown that you would like to sell, it couldn't be easier at My Sister's Closet. Just bring your clean dress and headpiece to our Chandler Closet any day of the week. (2915 S. Alma School in the Las Tiendas center). Phone is 480.722.1822. No appointment is needed to consign. We look for dresses that are no more than five years old and in like new condition. Once your items sell, you can collect 55% in store credit or 45% in cash at any of our ten locations. We don't make you wait for a check to be sent. You can collect your cash as soon as your dress sells. Why store the dress for years when you can get cash back and give someone else the opportunity for a dress they might not otherwise be able to afford?
